

**Facebook Page- DOW CLASS OF 1986:** This is the page for the Graduates of the class of 1986, at Dow Medical College, Karachi (Pakistan). This illustrious institute now goes by the name of Dow University of Health Sciences.

Please post your fond memories, stories and pictures from those WONDER YEARS of our lives, when we struggled, laughed and cried together.....and yes we did study too, taught by some of the greatest teachers and physicians of that time.

The class of 1986 is scattered in different parts of the world, spreading the message of peace, service and excellence in our profession. We may be making the name for ourselves on personal level but we also represent the wonderful traditions of our Alma Mater, Dow Medical College!

Let's remember our friends and classmates who completed their journey of life much sooner than us and cherish their memories with prayers for them and their families.
